

WELCOME TO ST JOHN PA

2022 - 2023

OUR MISSION

The Parent Association facilitates, encourages, and ensures ongoing community-building by providing activities, events, and service to the parish and school community. We accomplish this through ongoing collaboration with the Pastor and Principal.

All parents of students attending St. John School are members of the Parent Association and are welcome to join meetings. For those interested in becoming more active, consider joining the PA team in a grade-level role.
